YOU BELONG IN THE HUNGER AND ENVIRONMENTAL NUTRITION DPG NO MATTER WHAT YOUR AREA OF PRACTICE IN DIETETICS!

HEN'S MISSION:

Empower members to be leaders in sustainable and accessible food and water systems.

HEN GOALS

- Build and retain an aligned, engaged and diverse membership.
- Educate food and nutrition professionals and the public regarding the convergence of nutrition and community food security as related to the food and water supply.
- Support food and nutrition professionals and others in conducting and applying the research.
- Expand emerging career opportunities for food and nutrition professionals locally, nationally and internationally.
- Empower food and nutrition professionals to form partnerships with organizations that complement the HEN DPG's vision and mission.

HEN MEMBER BENEFITS

Join today! As a HEN member you will receive these benefits:

- A quarterly newsletter rich with in-depth reporting on issues, frequently offering free continuing professional education credits
- Connection to an active engaging listserv providing the latest information and discussion on HEN topics that focus on what is important to you
- Quick updates and e-zines on issues important to your professional life including legislation, trends and networking opportunities
- Recognition of your efforts by your peers with the opportunity to be nominated for the Hunger and the Environmental Nutrition Award
- A voice and advocate within the American Dietetic Association on important issues
- *Journal of Hunger and Environmental Nutrition* online subscription
- Opportunity to meet life long professional colleagues and friends that share your values and enthusiasm for the organization and profession
- Networking opportunities at other related conferences around the country
